Apartment Features

The villas have been designed with a neutral colour scheme, and bespoke built-in cabinetry to help maximise storage space. The kitchen is filled with the latest modern appliances including an integrated height-adjustable bench.

Each villa has 2 split-system air conditioners, automatic blinds and an intercom system which links back to the Onsite Overnight Assistance office. Bedrooms are all provisioned for ceiling hoists. The living spaces have an abundance of natural light, and external video cameras provide peace of mind when welcoming visitors.

Property Features

ILV's Blacktown single storey villas are within the Greater Western region of Sydney – just 30 mins to Parramatta by road, close to Westpoint Shopping Centre, local cafes and restaurants, medical centres as well as Blacktown Hospital.

ILV supports residents choice and control over their support services at all times.
